THE SPOKEN WORD

write, speak, expand

I CREATE, THEREFORE I AM

I feel, therefore I am.

I think, therefore I am.

I dream, therefore I am.

Then I write it all out,

from pen to paper,

from me to me,

then from me to you.

THE SPOKEN WORD

TSW is a collective writing experience. We gather, write, express, explore, and expand.

THE EXPERIENCE

01 THE WRITING

We write. Each month we present one piece of writing to the collective. The piece can be based on an internal or external prompt, or from our past archives.

02 THE SPEAKING

We speak. At our gatherings, we each read our writing: out loud, for ourselves, to each other, into existence, while the rest of the collective stands in witness.

03 THE EXPANSION

We expand, The collective provides sensory feedback: *what did we feel, what moved us, where did we want more.* We learn where we can grow, foster, cultivate and nourish our gifts.

THE EXTRAS

04 PROMPTS

Each gathering we present a prompt for the next gathering. Collective members rotate introducing prompts.

05 FREE WRITE

We commence each gathering with a 10 minute facilitated free write. Collective members rotate facilitating the free write.
